**N**OW is the time to open a savings account with the First National bank of Albuquerque. Many boys and girls in the Albuquerque high school and many in the grade schools have such accounts in which regular deposits are being made out of Saturday and vacation season earnings. These boys and girls are valued customers of this bank. Their progress is watched with keen solicitude because we know that they are forming habits of thrift which will not only make them independent and useful citizens but active and important members of the business community whose future association with this bank will be mutually beneficial.
